

Having problems with an employee?

It doesn't have to go to tribunal

Just having to reply to a tribunal claim can be stressful and time consuming. If you have a problem with an employee and you think it's heading that way, Acas provides a free, impartial early resolution service. This can give you the opportunity to resolve disputes before things go too far.

Key advantages

- Saves time, money and stress
- Offers the prospect of a quick, voluntary solution
- The employer and employee agree the outcomes
- Helps avoid permanent breakdown of employer and employee relationships
- Acas is completely impartial, non-judgemental and independent
- The service is completely free.

Remember it doesn't have to get ugly
